How Can You Donate?

Below are just a few of the more than a dozen ways you can donate to CHA. Visit CHAAnimalShelter.org and click on "Donations."

Support-A-Cage - For a low yearly fee of \$50, you can "support" a cage at the shelter. Your donation will help defray the costs for the animal in your cage and your generosity will be acknowledged through an engraved nameplate on a plaque on display at the shelter.

Commemorative Brick - Order your engraved, Commemorative Brick today and see it for years to come on the CHA walkway. Memorialize pets and people or honor the living as a special gift for graduation, birthday, retirement or holiday celebrations for just a \$50 tax-deductible fee.

Vehicle Donation - Instead of selling your old car, donate it. CHA has partnered with Volunteers of America to make the process easy and CHA will be the recipient of the net proceeds of the sale.

Can Recycling - Collection of aluminum cans helps defray veterinary expenses. Drop off your cans (in large plastic garbage bags) in the alcove at the southeast corner of the shelter building.
