This option allows the shelter manager to pick a specific item(s) every month (like cookies, dish soap, etc.) You get e-mailed at the beginning of the month with what's needed! We can modify it to fit your ability to donate.

Would you like a friendly e-mail reminders each month. Email Reminder yes no

Please complete this form and email in, fax or bring to the reception counter at the shelter to be placed in the Shelter Director's mailbox. Your e-mail will be forwarded to the program coordinator.

When bringing in donations to our shelter (3765 Corporate Drive, Columbus), please let a staff member or volunteer know that you are a CHA Paws Pantry member. There is a form can be found in the laundry/utility room in a binder located on the shelf with the paper towels. Create a page with your name and e-mail address that will allow you to record your monthly donations each time you visit the shelter. At the end of the year, your donations will be totaled and you will be mailed a year end paper for the total annual donation. Please remember that the IRS requires you to save all receipts and attach them to the CHA document when it is sent to you in early January of the next year.

We all appreciate your generosity and look forward to making the Paws Pantry all it can be for the staff, volunteers and special residents of our CHA shelter.
